LyriQ[®] OptiQ+

With EZ-View Technology

FOR THE ADVANCED USERS,

OptiQ+ has two ergonomically located knobs and four color coded buttons for manual control.

EASY TO USE FOR ALL

No need to press the buttons, no need to turn the knobs. Just place a document on X-Y table and read.

OptiQ+ will automatically magnify it for you.

It will also automatically adjust the color mode for you. Text or picture? It can tell.
